TEGOLA – ACOUSTIC CARPET TILES

Tegola is a pioneering and unique acoustic carpet tile brand. Tegola was created with the idea and commitment to design and craft the most innovative acoustic carpet tile to improve indoor working environments where most of our time is spent. Less noise means a higher standard of working, and healthier working environments.

Gravity Collection

Tegola Gravity is an organic carpet plank that flows from one colour to the next. Gravity is inspired by natural rock mineral formations to create a calm and transitional design . This produces a design which flows in interior areas with ease.
